

BlueGold Token Sale

Disclaimer:

There are risks and uncertainties associated with BlueGold and/or the BlueGold tokens' Distributor (that is to say Marie Time Engineering) businesses and operations, the BlueGold tokens, the BlueGold sale and the BlueGold App (each as referred to in the Whitepaper and the Terms and Conditions). You can find a description of the risks related to the token sales under the section "Legal" of the Whitepaper and on the Risks list, both documents being available on bluegold.io website, which should be read carefully.

These Terms and Conditions, any part thereof and any copy thereof must not be taken or transmitted to any country where distribution or dissemination of token sales or Initial Coin Offering like the one described in the BlueGold Whitepaper is prohibited or restricted.

The BlueGold tokens are not intended to constitute securities in any jurisdiction. BlueGold tokens are utility tokens and cannot have a performance or a particular value outside the BlueGold Platform. Therefore, the Whitepaper and the Terms and Conditions do not constitute a prospectus or offer document for investment in securities.

The Whitepaper and the Terms and Conditions do not constitute or form part of any opinion on any advice to sell, or any solicitation of any offer by Marie Time Engineering to purchase any BlueGold tokens or give any help in any investment decision.

The Purchaser warrants and represents that he/she does not reside in nor is a citizen of a country whose regulation is contrary to or incompatible with the emission, purchase and the use of utility tokens. The BlueGold tokens are not offered or distributed to residents or citizens of countries whose regulation is contrary to or incompatible with the emission, purchase or use of utility tokens.

Marie Time Engineering is released of any liability in the cases where a Purchaser of BlueGold tokens would not have respected regulations concerning the emission of tokens in his/her country of residence or citizenship.
